* Allocated means the funds are expended, obligated, allocated, or reserved

Expended - Actual spending of money; an outlay.

Obligated - A definite commitment that creates a legal liability of the government for the payment of goods and services ordered or received.

Allocated - For the purposes of budgeting, an allocation means a delegation, authorized in law, by one agency of its authority to obligate budget authority.

Reserved - Held for future allocation to a project based on the Secretary's approval of the project or by direction from Special Legislation.
